The brainchild of LIMN Furniture owner Dan Friedlander, who grew up in Sacramento, the gallery is modeled after the innovative space in Los Angeles which eventually became the Museum of Contemporary Art. Friedlander believes Sacramento is due for such an art space that would complement rather than challenge the Crocker Art Museum and the Center for Contemporary Art.

# Did you know...?

From the *Historical Development of Del Paso Boulevard Report*, it was 100 years ago in 1910 that David Johnston of the North Sacramento Land Company purchased 4,400 acres and carved out subdivisions, laid out streets, founded a fire department, set up a water and lighting system, introduced a streetcar system and named the city...

2010 Memorial Ceremony

## Sacramento Police and Sheriff's Memorial 8th Annual Remembrance Ceremony

Wednesday, May 5, 2010  
12:00 Noon  
500 Arden Way (Woodlake Park)

### *Dedicated to Remembering our Fallen*

*In 1992, the Sacramento Police / Sheriff Memorial Foundation was formed to perpetually honor Sacramento Police Officers and Sheriff's Deputies who have been killed or have died in the line of duty. After nearly 10 years, the actual Memorial was completed and dedicated within the Woodlake Park, located at 500 Arden Way in the City of Sacramento. Unfortunately, the names of 31 law enforcement officers from the Sacramento Police Department, the Sacramento County Sheriff's Department and the Sacramento County District Attorney's Office are enrolled at this Memorial Site.*

*Annually, the Sacramento Police / Sheriff Memorial Foundation remembers the fallen officers enrolled every May in a small Remembrance Ceremony held during the California Peace Officer's Memorial Week.*
